Dare2Dream 3rd Annual Celebrates Her 21st Birthday

"It was a very hard day for us all, having to celebrate Keisha's 21st birthday without her. With the help of our amazing friends and family, we did our best to make her proud." said mother, Linda MacDonald. The day included fun golf, great food, prizes and entertainment. We were fortunate enough to have had the honor of popular country singer, Steve Azar, attend and perform at our event. He even lead the crowd in singing "Happy Birthday" to Keisha.

We were also very touched by Amber Chase's performance as she sang "Just a Dream", a song she had written and dedicated to Keisha and her family. There wasn't a dry eye among us during her beautiful tribute to Keisha. Amber was one of the foundations scholarship recipients who has been awarded a recording contract for her amazing talent.

Our 3rd performer was Drake Stalter, who is one of the foundations newest scholarship recipients and also Keisha's cousin. He plans to attend the Launch Event in Chicago this November. Drake is a very talented musician who will go a long way.

The MacDonald Family was so pleased with the turn-out they had, despite the rainy weather. It truly show us what kind of support and loyalty we have been blessed with. The day ended with everyone singing "happy birthday" and then watching the faces of Keisha's young cousins as they sent 21 pink balloons to their angel in the sky.
